

## FCC 323 INSTRUCTIONS FOR OWNERSHIP REPORT

### GENERAL INSTRUCTIONS

1. This report is to be filed by commercial AM, FM and Television broadcast stations and by International broadcast stations as indicated below (see 47 C.F.R. Section 73.3615). If there has been no change since the last filing of this form, a letter may be filed in lieu of a new report, stating that the previously filed report has been examined and is currently accurate.

- (a) By licensees on the anniversary date of the station's renewal application filing date and every two years thereafter. Where the licensee, however, is a partnership that is composed entirely of natural persons, the biennial reporting requirement does not apply. Similarly, sole proprietorships (i.e., where the station is licensed to an individual(s)) are not required to file biennially.

If information submitted is equally applicable to each listed station, one biennial report may be filed for all such stations; otherwise, a separate report shall be filed for each station on the appropriate filing date.

- (b) By permittee or licensee following the consummation, pursuant to Commission consent, of a transfer of control or an assignment.
    - (c) By permittee within 30 days after the grant of a construction permit for a new commercial radio or television broadcast station. The permittee is also required to update its initial report or to certify the continuing accuracy and completeness of that report when the permittee applies for a station license for that new station.
2. Electronic Filing of Application Forms. The Commission is currently developing electronic versions of various broadcast station application and reporting forms, such as this report form. As each application form and report goes online, the Commission will by Public Notice announce its availability and the procedures to be followed for accessing and filing the application form or report electronically via the Internet. For a six-month period following the issuance of the Public Notice, the subject application form or report can be filed with the Commission either electronically or in a paper format. Electronic filing will become mandatory, on a form-by-form basis, six months after each application form or report becomes available for filing electronically.
3. File one copy of this report with the Federal Communications Commission. Form 323's not involving the payment of a fee can be hand-delivered or mailed to the FCC's Washington, D.C. offices. See 47 C.F.R. Section

0.401(a). For "biennial" ownership reports that must be submitted with a fee, see 47 C.F.R. Section 0.401(b) and Fee Instructions below.

4. This form is not to be used to report or request a transfer of control or assignment of license or construction permit (except to report a transfer of control or assignment made pursuant to prior Commission consent). The appropriate forms for use in connection with such transfers or assignments are FCC Forms 314, 315 and 316. See 47 C.F.R. Sections 73.3540 and 73.3541. It is the responsibility of the licensee or permittee to determine whether a given transaction constitutes a transfer of control or an assignment. However, for purposes of example only, and for the convenience of interested persons, there are listed below some of the more common types of transfers.

A transfer of control takes place when:

- (a) An individual stockholder gains or loses affirmative or negative (50%) control. (Affirmative control consists of control of more than 50% of voting stock; negative control consists of control of exactly 50% of voting stock.)
    - (b) Any family group or any individual in a family group gains or loses affirmative or negative (50%) control. (See also Instruction 6, Section II.)
    - (c) Any group in privity gains or loses affirmative or negative (50%) control.

The following are examples of transfers of control or assignments requiring prior Commission consent:

- (a) A, who owns 51% of the licensee's or permittee's stock, sells 1% or more thereof. A transfer has been effected.
    - (b) X corporation, wholly owned by Y family, retires outstanding stock which results in family member A's individual holdings being increased to 50% or more. A transfer has been effected.

***All previous editions obsolete.***

- (c) A and B, husband and wife, each owns 50% of the licensee's or permittee's stock. A sells any of his stock to B. A transfer has been effected.
- (d) A is the partner in the licensee. A sells any part of his interest to newcomer B or existing partner C. An assignment has been effected.
- (e) X partnership incorporates. An assignment has been effected.
- (f) Minority stockholders form a voting trust to vote their 50% or more combined stockholdings. A transfer has been effected.
- (g) A, B, C, D, and E each own 20% of the stock of X corporation. A, B, and C sell their stock to F, G, and H at different times. A transfer is effected at such time as 50% or more of the stock passes out of the hands of the stockholders who held stock at the time the original authorization for the licensee or permittee corporation was issued.

5. **FEES.** By law, the Commission is required to collect charges for certain of the regulatory services it provides to the public. A fee is required to be paid and submitted with the filing of a license's "biennial" ownership report **only**. The "biennial" ownership report is the Form 323, or the aggregate Form 323's as the case may be when the licensee is directly or indirectly controlled by another entity or if another entity has an attributable interest in the licensee, that is submitted on behalf of the individual AM, FM, or TV broadcast station. Further, where there has been no change in information since the last filing of a station's "biennial" ownership report, a letter may be filed on behalf of the station in lieu of a new report, stating that the previously filed "biennial" ownership report has been examined and is currently accurate and complete. Such letter certification constitutes the station's "biennial" ownership report for that year and the required fee must also be submitted with the letter certification. The "biennial" ownership report (whether on Form 323 or a letter certification) is filed on an individual station basis and the required fee is calculated thereon. It is the number of stations for which a report is filed that determines the total fee due; not the number of Form 323's filed in connection therewith.

When filing a fee-exempt FCC Form 323, the licensee/permittee must complete Item 3 and provide an explanation as appropriate.

FCC Form 323's NOT involving the payment of a fee must be hand-delivered or mailed to the FCC's Washington, D.C. offices. See 47 C.F.R. Section 0.401(a). Do not send fee-exempt applications to Mellon Bank because it will result in a delay in processing the application.

**FCC Form 159 dated July 1997 must be submitted with any application or report subject to a fee received at the Commission. All previous editions are obsolete. The revised 159 dated July 1997 contains new requirements that must be completed. Failure to do so may delay the processing of your application or report.**

Applicants who wish to pay for more than one application in the same lockbox with a single payment can do so by submitting FCC Form 159. When paying for multiple filings in the same lockbox with a single payment instrument, you must list each filing as a separate item on FCC Form 159 (Remittance Advice). If additional entries are necessary, please use FCC Form 159C (Continuation Sheet).

The Commission's fee collection program utilizes a U.S. Treasury lockbox bank for maximum efficiency of collection and processing. All "biennial" ownership reports, which require the remittance of a fee, must be submitted to the appropriate post office box address. See 47 C.F.R. Section 0.401(b). A listing of the required fee, a copy of a Remittance Advice Form (FCC Form 159) and the addresses to which the "biennial" ownership report should be mailed or otherwise delivered is also set forth in the Mass Media Services Fee Filing Guide," which is obtainable either by writing to the Commission's Form Distribution Center, 9300 E. Hampton Drive, Capital Heights, Maryland 20743, or by calling Telephone No. 1-800-418-FORM and leaving your request on the answering machine provided for this purpose. See also 47 C.F.R. Section 1.1104.

Payment of any required fee must be made by check, bank draft, money order or credit card. If paying by check, bank draft or money order, your remittance must be denominated in U.S. dollars, and drawn upon a U.S. financial institution and made payable to the Federal Communications Commission. No postdated, altered or third-party checks will be accepted. **DO NOT SEND CASH.** Checks dated six months or older will not be acceptable for filing.

Payment of application fees may also be made by Electronic Payment prior to the institution of electronic filing procedures, provided prior approval has been obtained from the Commission. Licensees interested in this option must first contact the Billings and Collections Branch at (202) 418-1995 to make the necessary arrangements.

Parties hand-delivering "biennial" ownership reports may receive dated receipt copies by presenting copies to the acceptance clerk at the time of delivery. For mailed-in "biennial" ownership reports, a "return copy" of the report can be furnished provided the applicant clearly identifies the "return copy" and attaches to it a stamped, self-addressed envelope. Only one piece of paper per report will be stamped for receipt purposes. The "return copy" should be placed on top of the application package. Failure to do so may result in your copy not being returned.

For further information regarding the applicability of a fee, the amount of the fee or the payment of the fee, refer to the "Mass Media Services Fee Filing Guide." Also see the Commission's Public Notice of June 6, 1990, entitled

## **OWNERSHIP INSTRUCTIONS - SECTION II**

1. The name of the licensee or permittee should be stated exactly as it appears on the station's existing license or construction permit. The current street address or post office box used by the licensee or permittee for receipt of Commission correspondence should be set forth. If this information has been set forth in Question 1, Section I, it need not be repeated here.

Any change in the name of the licensee or permittee, which does not involve a change in ownership requiring prior Commission approval, can be communicated to the Commission by letter. To report any changes in the mailing address previously used by the licensee or permittee, FCC Form 5072, entitled "Change in Official Mailing Address for Broadcast Station", should be promptly transmitted to the Commission. See 47 C.F.R. Section 1.5.

Facility ID Number. Radio and TV Facility ID Numbers can be obtained at the FCC's Internet Website at [www.fcc.gov/mmb/asd/seacall.html](http://www.fcc.gov/mmb/asd/seacall.html) or by calling: Radio - (202)-418-2730, TV - (202)-418-1600. Further, the Facility ID Number is now included on all Radio and TV authorizations and postcards.

2. Limited partners in a limited partnership need not be reported IF the limited partners are not materially involved, directly or indirectly, in the management or operation of the media-related activities of the partnership AND the licensee, permittee or respondent so certifies. A statement assuring this non-involvement must be attached to this report. Sufficient insulation of a limited partner for purposes of this certification would be assured if the limited partnership agreement: (a) specifies that any exempt limited partner (if not a natural person, its directors, officers, partners, etc.) cannot act as an employee of the limited partnership if his or her functions, directly or indirectly, relate to the media enterprises of the company; (b) bars any exempt limited partner from serving, in any material capacity, as an independent contractor or agent with respect to the partnership's media enterprises; (c) restricts any exempt limited partner from communicating with the licensee or the general partner on matters pertaining to the day-to-day operations of its business; (d) empowers the general partner to veto any admissions of additional general partners admitted by vote of the exempt limited partners; (e) prohibits any exempt limited partner from voting on the removal of a general partner or limits this right to situations where the general partner is subject to bankruptcy proceedings, as described in Sections 402 (4)-(5) of the Revised Uniform Limited Partnership Act or is adjudicated incompetent by a court of competent jurisdiction; (f) bars any exempt limited partner from performing any services to the limited partnership materially relating to its media activities, with the exception of making loans to, or acting as a surety for the business; and (g) states, in express terms, that any exempt

limited partner is prohibited from becoming actively involved in the management or operation of the media businesses of the partnership. Notwithstanding conformance of the partnership agreement to these criteria, however, the requisite certification cannot be made if the licensee, permittee or respondent has actual knowledge of a material involvement of the limited partner in the management or operation of the media-related businesses of the partnership. In the event that the licensee, permittee or respondent cannot certify as to the noninvolvement of the limited partners, the limited partners will be considered to be holders of attributable interests regarding whom full information is required.

3. If the licensee or permittee is directly or indirectly controlled by another entity or if another entity has an attributable interest in such licensee or permittee, a separate Form 323 should be submitted for such entity. For successive entities, interests are multiplied. See Instruction 6, below.
4. Any contract or modification of contract relating to the ownership, control, or management of the licensee or permittee or to its stock must be filed with the Commission, as required by 47 C.F.R. Section 73.3613. Attention is directed to the fact that Section 73.3613 requires the filing of all contracts of the types specified and is not limited to executed contracts but includes options, pledges, and other executory agreements and contracts relating to ownership, control, or management.
5. Under "Remarks", Question 11, give full information as to any family relationship (parent-child, husband-wife, brothers, sisters), between one or more officers, directors, stockholders, or partners of the licensee or permittee and any other officer, director, stockholder, or partner. A permittee or licensee seeking attribution exemption for eligible officers or directors should identify that individual by name and title, fully describe that person's duties and responsibilities, and explain why that individual should not be attributed an interest.
6. The following interests are attributable (and the holder of the interest is cognizable) and should be reported in response to Question 12:

If a corporation, all officers and directors and each owner of stock accounting for 5% or more of the outstanding votes in the corporation. (Investment companies, insurance companies, or trust departments of banks need be listed only if the aggregated holding accounts for 10% or more of the outstanding votes, provided the licensee certifies that such entities exercise no influence over the corporation, directly or indirectly, and have no representatives among the officers and directors of the corporation.)

If a single entity holds more than 50% of the voting stock, and a simple majority is all that is required to control corporate affairs, no other stockholder need be reported.

If any stockholder agreement exists pertaining to cooperative voting accounting for 5% or more of the votes (listed in response to Question 10), list the block of stock as if held by a single entity, and also list (immediately following) any stockholder holding 5% or more of the stock in that block.

If a partnership list all partners. (If a limited partnership and Question 7 is answered "Yes", list only general partners and only those limited partners that hold interests considered attributable under Instruction 2, explaining that involvement.)

If the entity for which this report is filed is not the subject licensee, but a minority, non-controlling stockholder or a partner in the licensee, list only those stockholders whose interest, when multiplied by the reporting entity's interest, would account for 5% or more of the votes of the subject licensee; list all partners. Any entity holding over 50% of its subsidiary will be considered as a 100% owner for reporting purposes. E.g., if this report is filed for corporation X which owns stock accounting for 25% of the subject licensee votes, then only those stockholders of X which hold stock accounts for 20% or more need be listed ( $25 \times .20 = .05$ ). Also, such an entity need report the directors, "executive" officers (president, vice-president, secretary, treasurer or their equivalents), and any other officers with a relationship or responsibility to the licensee, including a responsibility in determining how the entity's stock in the licensee is voted. Also, for such an entity, Questions 10 and 11 need not be answered. See Instruction 5 above with respect to the attribution exemption showing necessary for officers and directors with duties unrelated to the licensee.

If the stock is held in trust, if the trustee has the sole power to vote the stock or shared power to dispose of the assets of the trust, and if the trustee is an independent person with no familial or business relationship with the beneficiary or grantor, then only the trustee shall be reported as "owner" of the stock. If the grantor or beneficiary shares the power to vote, has the sole power to dispose of the stock, or has the power to replace the trustee at will, that party shall also be listed as an "owner" of the stock.

7. For further information regarding the above, see Report and Order in MM Docket No. 83-46, 49 Fed. Reg. 19482 (May 8, 1984), 97 FCC 2d 997, reconsideration granted in part, 50 Fed. Reg. 27438 (July 3, 1985), 58 RR 2d 604, further modified on reconsideration, 52 Fed. Reg. (January 15, 1987), 61 RR 2d 739 (1986).
8. Question 12 also seeks information as to those persons to which the Commission's minority and female ownership policies have historically applied. In addition to females, the race/ethnic categories are:
  - a. **American Indian or Alaska Native.** A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

- b. **Asian.** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.
- c. **Black or African American.** A person having origins in any of the black racial groups of Africa.
- d. **Hispanic or Latino.** A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish Culture or origin, regardless of race.
- e. **Native Hawaiian or Other Pacific Islander.** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.
- f. **White.** A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

### **CERTIFICATION INSTRUCTIONS - SECTION III**

The person certifying the accuracy of the information in this report must be the individual licensee or permittee, a general partner in the licensee or permittee partnership, or an appropriate officer in the licensee or permittee corporation or association. If this report is filed for a respondent and not for a licensee or permittee, the person certifying the accuracy of the information must be a general partner in the respondent partnership or an appropriate officer in the respondent corporation or association.
